NOVATAUR®

RESIDENTIAL ROLLER DOOR

Door innovation that's Taurean strong

taureands.com.au

NOVATAUR® RESIDENTIAL ROLLER DOOR

Show your sense of style by choosing a distinctive and highly innovative Taurean® Door for your garage.

Whether it's a roller door, sectional door or environmentally-positive insulated panel door, a Taurean® design will enhance the value and security of your home.

STYLE

The NovaTaur® Roller Door range combines contemporary and traditional influences. Make your own style statement when you choose your finish in COLORBOND® steel colours.

STRENGTH

Panels are 0.6mm thick to ensure strength and uniformity. Steel hinges add strength too.

SAFETY

Only Taurean® Door Systems utilises new and patented TauraEdge® safety guides to make your choice of door the safest in Australia. No other roller door has this innovative safety edge system.

BALANCE

Beautifully balanced springing ensures the door runs smoothly every time, maximisng its performance to 25,000 cycles – a lifetime of home use.

At Taurean® Door Systems we've designed and manufactured an exceptional range of strong and stylish doors and shutters and have the track record to prove it.

As a wholly owned subsidiary of Stramit, we draw on more than 30 years of industry experience to create high quality, Australian made doors for domestic and commercial garages, sheds and storage facilities.

The NovaTaur® range

NovaTaur® roller doors deliver more than stylish good looks, featuring a deep profile which provides a strength and rigidity not possible before in roller doors.

As a result they have applications beyond the family home. NovaTaur® roller doors come in both Residential and Commercial versions and in a selection of popular COLORBOND® steel colours.

A marriage of style and strength

• Australian designed and manufactured
• New deep profile means rigidity in the curtain
• Strongly designed curtain
• Safest guides in Australia
• High quality spring system
• COLORBOND® steel colours

Automation

Taurean® supplies and recommends the Merlin and Grifco ranges of door openers. These door opener products offer security and peace of mind, and paired with their myQ smart home technology deliver powerful automation options.

TAURAEDGE® ROLLER DOOR TRACK

The safest roller door track available in Australia

Exclusive to Taurean® Door Systems, the TauraEdge® Roller Door Track is stronger, more rigid and safer than standard roller door tracks. The unique rolled edge design completely encases door guides, removing any risk of injury from sharp edges.

Safety and Strength

The deep 21mm profile of the NovaTaur® roller door, coupled with the rolled edges of the TauraEdge® Roller Door Track, provides the ultimate combination for roller door safety and strength.

Warranty

For domestic installations only, a 12 month warranty on the door excluding any corrosion due to the proximity of any salt water or if the door is not installed in accordance with the installation instructions. For more details please refer to the Taurean® Door Systems website taureands.com.au.
