THE PR1ME COLLECTION

When adding a Taurean® Pr1me Roller door to your home, you're getting a stylish addition which is strong, safe and reliable.

Whether you have a single or a double car garage, Taurean's Pr1me range is ready to enhance your home.

STYLE

Pr1me roller doors feature rounded panels of high quality steel finished in COLORBOND® steel in a wide range of classic and contemporary colours, with sizes up to 3100mm high and 5400mm wide.

STRENGTH

High quality spring system and strong curtain due to roll forming process ensures peace of mind and a smooth, quiet operation.

SAFETY

Multiple safety features include track stops which ensure the door remains in the tracks even with rough treatment, an easy to use hand operated chain winder on manual doors and no sharp edges thanks to patented TauraEdge® safety guides.

BALANCE

Beautifully balanced springing ensures the door runs smoothly every time, maximising its performance to 25,000 cycles – a lifetime of home use.

At Taurean® Door Systems we've designed and manufactured an exceptional range of strong and stylish doors and shutters and have the track record to prove it.

As a wholly owned subsidiary of Stramit, we draw on more than 30 years of industry experience to create high quality, Australian made doors for domestic and commercial garages, sheds and storage facilities.

Long life

Galvanised brackets, tracks and other components protect against corrosion ensuring a long life for your Pr1me doors. The springing system is designed for more than 25,000 cycles which maximises the performance of the door over its lifetime.

Taurean® Pr1me No.1 for springing means optimum life

Operation

Nylon braided edging, the moulded nylon drum wheels and the nylon bottom rail plug provide a beautifully smooth and quiet door during operation.

Weather protection

Flexible sealing strip along the bottom rail prevents entry of dust and leaves.

Reverse roller doors

Reverse roll roller doors are available when your project calls for it, refer to the website for details.

Automation

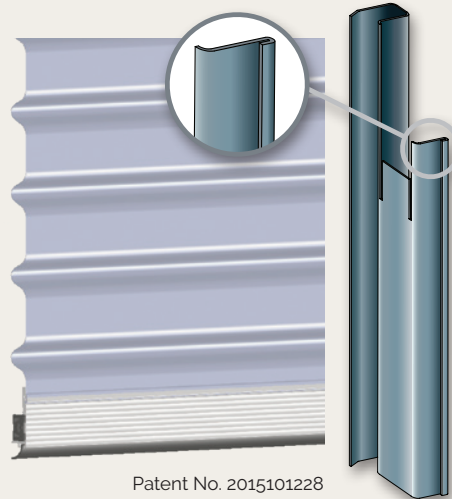

Taurean® supplies and recommends the Merlin and Grifco ranges of door openers. These door opener products offer security and peace of mind, and paired with their myQ smart home technology deliver powerful automation options.

Merlin® myQ Technology

Patent No. 2015101228

THE SAFEST OPERATING GUIDES. EXCLUSIVE TO TAUREAN® DOOR SYSTEMS.

TauraEdge® safety guides are designed with a rolled edge that runs the length of the track. This makes it so safe it's almost impossible to cut yourself on it.

Warranty

A 12 month warranty on steel cracking, lock seam failure of the door curtain and all other items of the door. Excluded from the warranty is salt corrosion or any damage to the door curtain because of any environmental conditions or issues. For more details please refer to the Taurean® Door Systems website taureands.com.au.
